## Rental Lockers for Small to Mid-Size Venues

Family Entertainment Centers | Theme Parks | Water Parks | Casinos | Stadiums | & More

 Optional Vinyl Wrapping

### Delight Guests While You Grow Profits

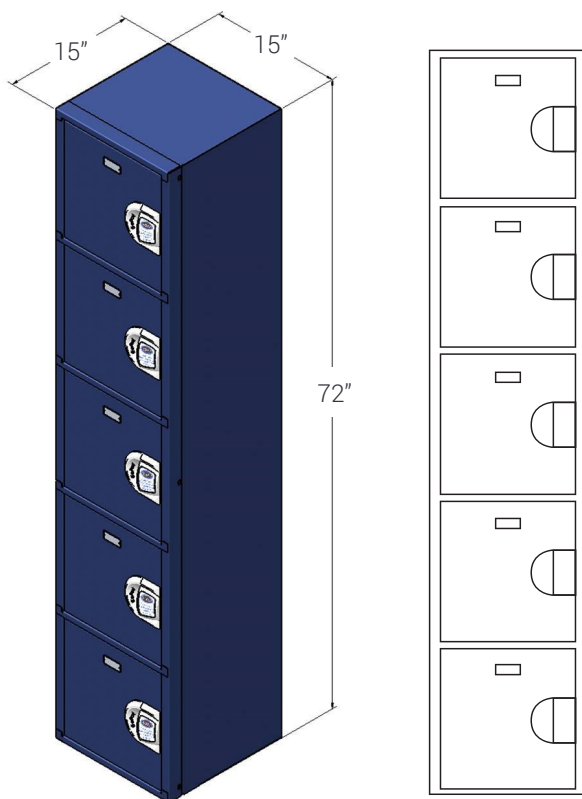

GoPod LT is everything your venue needs and nothing it doesn't. The kiosk-controlled door access accommodates lower-cost and typically shorter rental durations. Often found in climbing facilities, trampoline parks, museums among others, GoPod LT is peace-of-mind for all.

#### The Perfect Fit

Preserve capital dollars with our popular revenue share or look to Safemark's lease or direct purchase programs. Upsell locker coupons during admission or reduce cash handling by letting guests skip the line and pay with credit card at the self service kiosk.
